The Australian Flair

The Australian-made Ambius Cilindro collection delivers versatile design for contemporary interiors. Its seamless fusion of modern aesthetics and biophilic design fosters healthier, more inspiring spaces.

It uniquely allows enhancing the collections versatility by adding the Australia Cilindro's authentic Indigenous artwork. Create your truly unique and culturally infused environment.

Discover the Uniqueness of Cilindro

The Cilindro Trio offers unparalleled flexibility, with an array of design choices. From various heights, to finishes and additionally it is easily transformed when complemented with captivating Aboriginal artwork.

Elevate the design even further, by pairing with Australian native plant species, like Kentia Palm. Delivering a captivating clustered solution that stands proud and promotes indigenous art, supports sustainability and enables a thriving environment.
